

Rules for the Lindstrom Community Garden

****Registration is required and a fee of \$15.00 per plot paid to the City of Lindstrom 13292 Sylvan Ave, Lindstrom, MN 55045, must be paid before you may begin gardening. Questions? Please call Sue Kirchner at 651-271-0513***

- 1) Gardening is allowed between the hours of 6:30 a.m. and 10:00 p.m. (No power tool use until after 8 a.m.)
- 2) Each gardener is responsible for the maintenance and upkeep of their garden plot. Weeding, harvesting and any other garden related maintenance are all the responsibility of the gardener. Gardeners may arrange for others to water their plots. Plots not planted by June 15th may be reassigned (unless conditions or crops require otherwise). Garden plots must be mulched to conserve water and reduce weeds by June 30th (this does not apply to container or raised bed gardens).
- 3) Garden tools and any other equipment must be provided by the gardener. We will attempt to establish a loaner stash on the property nearby.
- 4) Children under 12 should be accompanied by an adult, under close supervision for the safety of all.
- 5) Garden plots should be cared for at least once a week. Neglected plots may be reassigned.
- 6) You must remain at the plot while watering. **(Do not leave the water running when you leave the area.)**
- 7) The use of herbicides (commercial weed, or fungal killers) and non- organic pesticides on garden plots is prohibited.
- 8) Gardeners may only harvest from their own plots.
- 9) Plots are assigned on a first come basis.
- 10) Each fall, gardeners are responsible for clearing their plot of all plant material and leaving the plot as they found it in the spring. If you have planted perennials, and you do not intend to rent the plot the next year, the plants must be removed from the plot prior to April 20th.

Thank you for your cooperation!!
