Dear friend of KOD,

Although we are deeply saddened by the news that our traditional Karl Oskar Days Festival is no longer able to occur, we are looking forward to creating some restriction-acceptable fun for Lindstrom and surrounding communities. The festival is cancelled, but the celebration isn't.

First I'd like to thank you all for the amazing support and love of our events. Our fine community and rich Swedish heritage are to be honored. If you have made any deposits or donations for this summer's celebration we'd like to roll it right over to the 2021 Festival. It is my hope that we can enjoy many distanced activities this summer while planning a spectacular event for summer 2021!

If for any reason the change of events causes you to wish to part ways you may request a refund and your contract will be voided.

Please be sure to visit our KOD Facebook page often this summer to hear all about alternative activities.

Warm regards,

Pauline Hinsch
Special Event Coordinator
